## **Access and use indicate acceptance of specific terms of use**

Your access to and use of this site are subject to the terms and conditions described below. Access and use are also subject to all applicable laws. By accessing and using this site, you indicate that you accept the following terms and conditions, without limits or qualification.

## **Materials property of Integrated Geophysics Corporation**

Your access to and use of this site are subject to the terms and conditions described below. Access and use are also subject to all applicable laws. By accessing and using this site, you indicate that you accept the following terms and conditions, without limits or qualification. The contents of this site and their arrangement are the property of Integrated Geophysics Corporation.

## **No license conferred by access or use of site**

Nothing contained in this site shall be construed as conferring, explicitly or by inference, any license or right to any copyright, patent, trademark or other proprietary interest of Integrated Geophysics Corporation or any third party. All trademarks are the property of their respective owners.

## **Access limited to personal, non-commercial, single-copy/computer use**

This site and all its content may not be copied, reproduced, republished, uploaded, posted, transmitted, or distributed in any way, without the prior written consent of Integrated Geophysics Corporation, except for the following:

You may download, display, and print one copy of materials on any single computer solely for your personal, non-commercial use.

Site content covered includes, but is not limited to, graphics and photographic images; audio and video, html code, tools and furniture; data or graphic files; and text. The permission just described is given only if you do not modify the material in any way and if you keep intact all copyright, trademark, and other proprietary notices.

### **No relationship created by use of site**

The information provided on this site is free of charge and for informational purposes only and does not create a business or professional services relationship between you and Integrated Geophysics Corporation. You may find links on this site to services or sites not managed or controlled by Integrated Geophysics Corporation. The company takes no responsibility for such sites or services and makes no endorsement of those sites or services. Any use you make of the information provided on this site, or any site or service linked to by this site, is at your own risk.

### **No warranty of usability**

Integrated Geophysics Corporation explicitly disclaims warranties including, but not limited to, the implied warranties of merchantability, fitness for a particular purpose, title, and non-infringement. In no event will Integrated Geophysics Corporation be liable to any party for any damages arising out of or in connection with this site, any content on or accessed through this site or any site service linked to, or any copying, displaying, or use thereof.

### **Site governed by laws of Texas**

This site is maintained in the state of Texas, U.S.A. Use of this site indicates that you agree that all activities relating to this site shall be governed by the laws of the State of Texas. You are responsible for complying with the laws of the jurisdiction from which you are accessing this site and you agree that you will not access or use the information on this site in violation of such laws.

### **No communication of intellectual property**

Integrated Geophysics Corporation has produced a wide array of proprietary intellectual property that includes, but is not limited to, trade secrets, copyrights and trademarks. To ensure the security of these properties, Integrated Geophysics Corporation does not accept submissions of ideas outside of established business relationships. Any information submitted by you through this site shall be deemed non-confidential and non-proprietary. You represent that you have the lawful right to submit such information and agree that you will not submit any information unless you are legally entitled to do so.
